CONFIRMATION OF FLU VACCINATION

Health Academy Parents and Students,

In accordance with Centura Health, St. Mary-Corwin Medical Center and Parkview Medical Center, all employees, and thus our students, are required to have a flu vaccination. This requirement is in place to ensure and protect the health of the patients, visitors, and staff of these organizations. Since our students participate in shadowing and seminar activities, and internships at these facilities, our students and staff must also comply with this requirement. Please provide confirmation of your student's vaccination by completing the information below.

Please contact the Health Academy at 549-7632 if your child is medically unable to be administered a flu vaccination.

Due Date: Friday, November 4, 2016
